

Tennessee Walking Horse National Celebration

Policy Bulletin # 47

Effective Date: August 15, 2023 8:00 AM

Subject: Prohibited Items In Warmup And Inspection Area

Syringes and needles are strictly forbidden from being present or used in the warmup area at the **85th Annual Celebration**. Anyone found with a syringe in the warmup area will be removed from the warmup area (which includes the inspection area) for the remainder of the show. In addition, the trainer of record on file with the associated entry will also be removed for the remainder of the show. The horse will also be disqualified for the remainder of the 85th Annual Celebration.

Persons removed from the inspection/warmup area due to violation of the policy that are found in the inspection/warmup area will be banned from the showgrounds of **The Tennessee Walking Horse National Celebration** for a minimum of one year.
